

Parent Survey Results about Reopening Plan

As of 8.17.2021

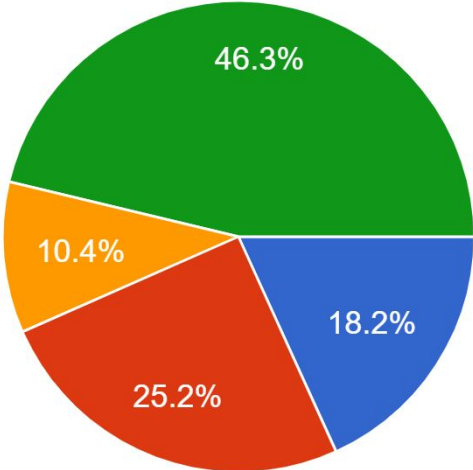

Which building does your child attend this school year?

589 responses

What do you think the mask policy should be for elementary children? (please note that masks are required on buses)

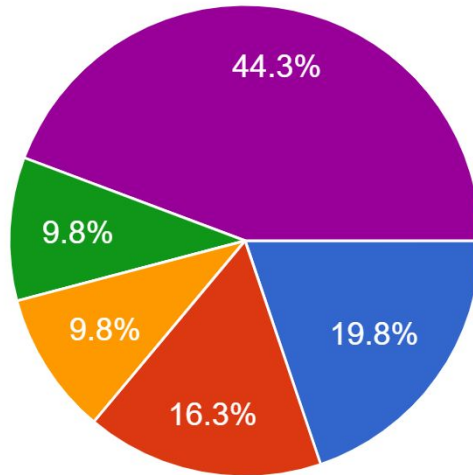

560 responses

- Fully masked with breaks while inside of the school building.
- Masked during transitions and large group settings (students may remove masks if 3 foot distance)
- Mask indoors, but not outdoors
- No masks at all

What do you think the masking policy should be for Jr.-Sr. High School students? (Please note mask use is required on the bus)

560 responses

- Fully masked while indoors (with mask breaks).
- Masks during transitions and large group settings (if at seat and 3 feet distance masks may be removed)
- Masks during transitions and large group settings (if at seat and 3 feet distance masks may be removed)
- Vaccinated students do not need to wear a mask
- No masks at all

If school staff are vaccinated, should they have to wear a mask indoors?
