September 2023

Dear Students and Parents:

This handbook has been prepared for you as both a set of rules and an information guide to the programs and activities found at Cato-Meridian Junior-Senior High School. Please keep this handbook in a convenient location and reference it as needed throughout the school year.

We have a dedicated and caring staff available to assist our students in becoming successful and productive citizens in our school community. Two-way, open and ongoing communication is key to reaching those goals. As we have overcome a global pandemic, it is important that we continue to work together as a united school learning community.

It is my hope that your years at Cato-Meridian Junior-Senior High School will be filled with many positive experiences and happy memories. I am confident that the 2023-2024 school year will be an excellent one for all our students.

Sincerely,

Jennifer Kelly

All students are expected to take at least 6 credits plus Physical Education each semester. Each year, a Curriculum Guide is published through the Counseling Office for use by parents, students, and staff. This booklet contains a list of courses that students may take in Grades 9 – 12. This booklet is available in the Counseling Office.

* While not a graduation requirement, we strongly urge students to continue to take a fourth year of Math and/or Science as their elective(s).

The school program is designed to address a variety of student needs, including college preparatory work and technical career training. We offer the following opportunities for honors or college level work to students:

Honors: available in English 9, 10, 11 and Social Studies in grades 9, 10, 11, and 12; accelerated study is available in Math and Science. Honors courses carry a weighting of 1.05 when figuring GPA for class ranking.

Advanced Placement: AP American History, AP European History, AP Chemistry, and AP Biology (college credit is dependent on exam score and individual college policies). Advanced Placement courses carry a weighting of 1.10.

College Courses: Through Cayuga Community College, we offer College English 101 and 102, Advanced Algebra 104, Pre-Calculus 106, Calculus 108, and Statistics 114, Spanish 101/102, 201/202, French 101/102, 201/202 and OnCourse/Success Strategies. College credit is available through Onondaga Community College for Public Speaking. Pre-engineering credits through “Project Lead the Way” are offered with RIT credit (dependent on exam score). College credit is also available in New Visions programs through the Area Occupational Center in medical studies. New Visions is a competitive program for seniors and requires an application, interview, and acceptance in to the program. College courses carry a weighting of 1.10.

ABSENCE POLICY FOR COLLEGE LEVEL AND AP COURSES

If you have enrolled in one of Cato-Meridian’s Advanced Placement or College courses you should be aware of the standards for maintaining this enrollment. Courses follow a rigorous college based curriculum and have minimum attendance requirements.

Required Attendance at these Courses will be held to the following guidelines:

- 1. Students will be considered in attendance if the student is:
 - Physically present in the classroom or working under the direction of the classroom teacher during the class scheduled meeting time.
 - Working pursuant to an approved independent study program.
 - Receiving approved alternative instruction.
- 2. Student absences cannot exceed 20% of the course. There are NO EXCUSED ABSENCES under this policy. All absences are counted, regardless of the reason for the absence, including but not limited to field trips, illness, athletic trips, court appearances, and other personal reasons. Students might not be allowed to make up tests or presentations they have missed due to an unexcused absence.

All AP Classes

All College Classes

All other courses are weighted as 1.0 for the purpose of determining GPA for class rank.

CLASS RANK

Students are ranked based upon credits earned, with a Valedictorian and Salutatorian named after the third marking period of the senior year.

GRADE LEVEL CLASSIFICATION

Outlined below are the criteria for classification at each grade level:

Freshman (Grade 9)

Satisfactory completion of Eighth Grade course work, faculty recommendation, and approval of Principal.

Sophomore (Grade 10)

Satisfactory completion of five (5) credits including English 9 and Social Studies 9.

Junior (Grade 11)

Satisfactory completion of ten (10) credits including English 10 and Social Studies 10.

Senior (Grade 12)

Satisfactory completion of fifteen (15) credits; English 11 and/or Social Studies 11.

GRADES

All grades are listed numerically, based on a traditional 100-point system, with 65 as a minimum-passing grade. The only exceptions to numerical grades will be as follows:

- Satisfactory/Unsatisfactory (S/U) or Pass/Fail (P/F) will be used in AIS/Mastery, peer tutoring, Resource and PE Rec.
- “INC” will be used for a grade of incomplete, to be made up within 10 school days unless there is an ongoing medical condition or extenuating circumstances. All extensions must be in writing and approved by the teacher and the Principal. When the grace period expires, an earned grade will be assigned.

Grades are given in four, 10-week marking periods with the final exam computed as 1/5th, or approximately 20% of the final grade.

CREDIT RECOVERY

Any student repeatedly failing a course or in jeopardy of failing any graduation requirement course will be permitted to use a computerized credit recovery program called Edgenuity. Selected students will utilize the Edgenuity online learning application. It is a self-Paced, comprehensive, standards-based online curriculum. Instruction and assessment will take place online. Credit for the course will be awarded upon successful completion of the course modules. There is NO COST for this program.

SCHEDULE CHANGE

Schedule changes are permitted only during the first 10 days of school or semester. Schedule changes are permitted in the event of computer error, incorrect course level, and course omission. **All schedule changes after the first ten days must have the written approval of the building principal.**

Administrative discretion may take place after the first ten days and after a Teacher/Parent/Counselor/Student conference, at which time the request for the drop will be discussed. The student must meet the minimum credit requirement (5.5) after the drop. A “Drop” is recorded on the record. A student’s average will be recorded upon dropping a course, resulting in a “Drop Fail” or “Drop Pass”. A “Drop Fail” will result in automatic Academic Ineligibility.

SUMMER SCHOOL

It is recommended that a student who fails one or two courses plans to attend summer school so that they stay on track to graduate. To be eligible for Summer School, you must remain in the course through its completion. Realize that if you fail multiple courses, this may prevent you from graduating as planned with your existing graduating class and may require an additional semester or year to complete graduation requirements. Sign-ups for Summer School are held at the end of the examination period in June in the Counseling Office. A maximum of two classes can be taken and strict attendance is required. Summer School is intended for repeating a course, not initial instruction.

REPORT CARDS

- Students will receive report cards **four** times a year.
- Interim reports **will** be sent at the midpoint of each marking period.
- The final exam will count toward 1/5 of the final average.
- Students illegally absent from a final exam will receive a grade of zero for the exam. This grade will be counted as 1/5 of the course grade.

MARKING PERIOD DATES

The following tentative dates represent the end of each marking period:

Marking Period	End Date
1	November 10
2	January 26
3	April 5
4	June 21

HONOR ROLLS

Honor Rolls are determined by grade point average. Grades are not weighted in this computation.

Honor Roll	85.00 – 89.99
High Honor Roll	90.00 – 94.99
Principal's High Honor Roll	95.00 – 100.00

Only full-time students may be eligible for the various Honor Rolls. A full-time student is taking 6 full credit courses and physical education. Students with a grade of incomplete are temporarily ineligible. Only students with all passing grades will receive Honor Roll status. A student with a failing grade or an incomplete will not be placed on an Honor Roll.

Recipients of Honor Rolls are awarded certificates and recognized through functions such as breakfasts or ice cream parties.

5+ CLUB

Students who raise their overall average by five points or more receive a coupon for a free ice cream. Additionally, their name is placed in a drawing at the end of the second

and third marking periods to have a chance of winning prizes. Any student who raises their overall average by five points will earn one ticket, six points will equal two tickets, seven points will equal three tickets and so on. Those students who have an overall average of 95 will receive one ticket, 96 will receive two tickets, 97 three tickets and so on. Winning tickets will be drawn during forum.

ACADEMIC INFORMATION

ACADEMIC ELIGIBILITY POLICY

The Cato-Meridian Central School District is proud to provide opportunities and privileges to students, including but not limited to the following:

- a) Athletic teams.
- b) Field trip opportunities that are not part of required coursework.
- c) Extra-Curricular Clubs and Activities.

In order to participate in these opportunities, students must first be successful academically. Therefore, any student receiving two (2) failing grades will be deemed academically ineligible from all above listed activities for the week following the determination. The following details will further elaborate:

- a) Performance based upon pass/fail for the week immediately preceding the rating will be indicated on a sheet to be turned in by each teacher on Friday morning and submitted to the Junior-Senior High School Secretary/Athletic Assistant. Any grade below 65 is reflective of a failing grade. Teachers have the discretion to allow a student to maintain eligibility based on effort and participation in afterschool sessions. In addition, students with disabilities and BOCES students will be given additional opportunities for support. Our goal is to guide students into successful eligibility. Efforts will be made to communicate with students and families regarding academic standing.
- b) The list will be collated and posted each Monday by 8:00a.m., and the ineligibility as determined by this list will be effective for one (1) week from Monday to Monday at 8:00a.m.
- c) Athletic ineligibility will mean that the student will be expected to practice with the team, but will not be permitted to participate in any athletic contest during that time period.
- d) An ineligible student will be allowed to participate in only those field trips that are a required part of the coursework for a specific class, and for which follow-up in the classroom is provided. Each respective teacher will inform the principal's office when such conditions exist.
- e) Students who fail two or more courses for the last marking period will be ineligible for two weeks in August/September (three weeks if summer school is needed yet the student chooses not to attend or fails multiple courses in summer school). For the purpose of extra-curricular activities that begin prior to September, the ineligibility will begin when the activity (season) begins.
- f) Passing a course in summer school will erase any pending ineligibility period in September only for that course.

- g) Appeals to the principal must be in writing and can only be made/upheld if the student substantiates that an error was made in the calculation of the grade.
- h) The superintendent or his/her designee has final authority to determine eligibility status for activities or situation not delineated under this policy.
- i) This Policy is applicable to students in grades 7 through 12.

ACADEMIC INTERVENTION SERVICES (AIS)

As per education law all school districts must provide academic intervention services (AIS) which supplement the general curriculum instruction to assist students in meeting the New York Learning Standards. AIS is intended to assist students who are at risk of not achieving learning standards in English, Mathematics, Social Studies and Science. AIS may be held from 2:17p.m.–2:55p.m. if an AIS class (also known as a Mastery Class) is not available within a student's schedule.

COLLEGE REQUIREMENTS

Students who are in a Regents' oriented program are better prepared for college work as Regents level courses provide better preparation for college. However, you can still attend some colleges regardless of a high school program or type of diploma.

The following is indicated as minimum entrance requirements at a nearby four-year college:

Graduation from an accredited high school including:	
Science	3-4 units with at least 2 lab sciences
Mathematics	3-4 units (college preparation)
Language	3 units

It is recommended that students wishing to apply to competitive colleges should maintain an 85+ average. It is also recommended that students take the SAT and/or ACT exam(s) in the spring of their junior year.

HOMEWORK

When homework is assigned, it is expected that it will be completed within the time frame given, usually for the next class period. It is at the teacher's discretion as to whether to accept late homework and whether to decrease credit for it. Refusing to complete assigned work either in class or at home is considered insubordination.

Absentee homework requests will be honored when possible. Students who are absent for only one day should try to get their assignments from a classmate. Students who are absent for two or more days will have work provided by making a request through the Guidance Office. Homework requests must be made 24 hours in advance in order for teachers to respond in a quality manner.

INDEPENDENT STUDY AND ACCELERATION

Students may be given permission from the Principal to pursue an independent study program only in the following cases:

- A scheduling conflict prevents a student from taking a necessary subject.
- A student accelerates his or her high school program either because of unusual academic promise or for other reasons deemed appropriate by the Principal after consultation with the School Counselor.

In every case the following procedure will be observed:

- The student will submit a written request signed by a parent or guardian.
- The School Counselor and the Administration will review the request. The School Counselor will consult with the appropriate faculty members and administration and reach a decision regarding the request. (Depending on circumstances, a conference may be called involving parent, teacher, School Counselor and Principal.)
- If the request is approved, a learning contract will be drawn up between the student and the appropriate faculty member. The contract will cover student responsibilities, grading procedures, student/teacher meeting times, etc.

Accelerated students also may be given permission to double-up in a major subject area during their junior or senior year of high school. The student who plans on accelerating in this way must have parental permission and the approval of the School Counselor and Administration.

LEARNING CENTER

A Learning Center is located in Room 112 on the first floor of the Jr.-Sr. High School. The goal of providing a Learning Center is to assist students as they strive to reach their full academic potential. This center is available to all students for academic assistance. While the teacher of the student's subject area class continues to be the primary source of assistance, the Learning Center can be in addition to that, used when the schedules of the student and teacher do not coincide, or when intensive help on a short-term basis is needed. A variety of support services are available, such as study skills, organizational skills, writing skills, math concepts and test preparation. Students may use the Learning Center at any time during the day (as long as the student is not missing a scheduled class) through self-referral, parent referral, or teacher recommendation. The length of time any student uses the Learning Center varies depending on the nature of the problem. Students are strongly encouraged to make appointments to use the Learning Center so that more appropriate services can be provided. "Walk-ins" will be available on a limited basis. More information is available by contacting the Counseling Office.

NATIONAL HONOR SOCIETY

Students in Grades 11 and 12 whose cumulative weighted grade point average is 90.000% or higher are eligible for membership in the National Honor Society. Upon notification of eligibility, students who wish to be considered for membership must submit a Letter of Intent and an Activity Assessment Form. The entire staff evaluates students on leadership, service, and character. The Faculty Council considers the Letter of Intent, the Activity Assessment Form and the teacher evaluations in the decision whether to accept candidates to membership into the National Honor Society.

The three criteria evaluated once the student meets the academic minimum are leadership, service and character. Students may demonstrate leadership by holding elected offices in school and community organizations, as well as other roles and activities which demonstrate leadership and responsibility. The contribution of service to school, community, and others is considered as well. Positive character traits are a

must for the NHS candidate. Honesty, integrity, self-discipline, respect, and a positive work ethic are all part of positive character.

After all information is gathered on each candidate, membership is granted only to those students selected by the Jr.-Sr. High School’s Faculty Council. Members of the Faculty Council will discharge their responsibilities in the most objective manner possible. However, it is important to recognize that all decisions of this kind involved in the selection process have some subjective aspects.

PHYSICAL EDUCATION

Jr.-Sr. High School Physical Education Mission

It is the mission of the Cato-Meridian Jr.-Sr. High School Physical Education Department, guided by the New York State Learning Standards, to provide a program that will vest the students with the ability to live an active, healthy, and productive lifestyle. Students will have obtained the knowledge, skills, and the ability to maintain and manage personal and life-long wellness.

New York State Guidelines require that students have a complete change of clothing in order to participate in physical activity. For this reason, as well as to maximize freedom of movement, students are required to wear the following attire: an appropriate T-shirt, athletic shorts (elastic waist – no belt loops), athletic socks, and athletic shoes. The attire should be worn for all indoor and outdoor Physical Education classes. Safety glasses are necessary for specific activities. Such items as a pair of sweat pants and warm-ups may be kept in lockers for use during outside activities on days when the staff feels they are needed due to the nature of the activity, the weather conditions, or the conditions of the fields. No student will be allowed to participate if not properly dressed for class. A combination lock will be issued to each student in September and must be turned back in June. If the lock is lost or stolen a fee of \$5.00 will be charged to replace it.

List of potential activities:

Football	Soccer	Project Adventure Activities
Basketball	Tennis	Weight Lifting/Fitness
Lacrosse	Crossfit	Cross Country Skiing
Badminton	Handball	Minute to Win It
Archery	Ping Pong	Floor Hockey
Pickleball	Survivor	Track and Field
Golf	Dance	Snowshoeing
Softball	Broomball	Volleyball
Base Games		

New York State requires participation in Physical Education classes in order to receive credit toward graduation.

SEEKING ASSISTANCE

We encourage students to seek assistance from teachers when they are experiencing difficulty or if they have a need to make up work. They should not wait until their grade falls into the failing range before they contact a teacher. Because teachers are often involved in meetings after school, it is very important that students make

arrangements with the respective teachers a day in advance or, at the very least, consult with the teacher during the day before staying.

Because the instructional day does not officially end until 2:55p.m., teachers may assign students to an afterschool remedial or make-up session. Students will be expected to honor such teacher requests.

TEXTBOOKS AND MATERIALS

In general, textbooks are furnished to all students. These books represent an annual investment of thousands of dollars. Books are numbered and signed out to each student. These books, once signed out, are the student’s responsibility. A student who loses school-owned books or materials will be obligated to pay a replacement amount which is based on the replacement cost, age, and condition of the item. The money must be paid before Report Cards are issued. If books or materials are damaged, the student will be charged an appropriate fee.

Student financial obligations will be carried over from year to year. If there is an outstanding bill, a diploma will not be awarded, nor records or transcripts sent.

All textbooks are to be respected and cared for, preferably by protecting them with a cover and storing them properly. If a textbook is misused, damaged, or lost, it is to be paid for according to the following schedule:

New or Excellent	2/3 of original cost
Good	1/2 of original cost
Fair	1/3 of original cost
Poor	1/4 of original cost

STUDENT SERVICES

COUNSELING OFFICE

The Counseling Office offers a variety of services to students at the Jr.-Sr. High School including:

- Individual counseling: personal, academic, career, and social.
- Small group counseling: school success, conflict resolution, stress management, and coping with grief and loss.
- College planning, career education and exploration.
- Consultation with parents, teachers, and administration.
- Referral services to outside agencies.

The Counseling Office offers access to career interest inventories, computers for on-line information to colleges, financial aid information, college catalogues, as well as scholarship information.

Students can make an appointment to see the school counselor during their study hall time, lunch, or after school. Any student experiencing a more immediate crisis will be seen right away.

Parents with questions or concerns or who would like to set up parent conferences can call the Counseling Office at (315) 626-3439 x3821.

The goals of the counseling department include advocating for all students, assisting them to develop decision-making skills, and encouraging combined efforts among community, family, and school to help students achieve maximum academic excellence. Please contact Mrs. Cheryl Sawyer for advisement.

SCHOOL PSYCHOLOGIST

We have a School Psychologist who can help you. The psychologist very often works to diagnose and evaluate your academic ability through tests, classroom observations, interviews, and record evaluations. The psychologist can also counsel you individually, or in groups. Sometimes the psychologist can help you by connecting you with an outside agency. You can make an appointment to meet with the psychologist through the Counseling Office.

HEALTH SERVICES

The Cato-Meridian Central School District recognizes the correlation between good health and good academics. One of our goals is to assist parents in helping their child to have a safe and healthful school environment.

COMPULSORY IMMUNIZATION LAW

New York State Law does not allow students to be admitted or allowed to attend school in excess of 14 days without appropriate certification of immunization. A full chart of 2023-2024 immunization requirements may be found on the school website at www.catomeridian.org under the SCHOOL NURSE section. Please make every effort to obtain these immunizations in a timely manner when the school nurse notifies you of the need.

Religious exemptions are not recognized in the State of New York. Medical exemptions are allowed in the case that immunization would be detrimental to the child's health. Forms for exemption are required to be submitted to the school nurse.

In the case that a student cannot obtain his/her immunizations through their own physician, Cayuga County Health Department runs immunization clinics. Please call 315-253-1560 for an appointment.

EMERGENCY INFORMATION

Emergency contact information is located on each student's SchoolTool page. Parents should periodically review their child's information to be sure that it is current and accurate. Parents must ensure that the names and numbers they provide can be reached during an emergency. If a child is injured, or too sick to stay in school, the school will need to be able to reach someone. Please let the school know when there are changes in these items (address, phone number, place of work, etc.) during the school year (September-June). To make changes, please contact Erin Barnhart, School Registrar at 315-626-3439 x3821 or ebarnhart@catomeridian.org.

PHYSICAL EXAMINATIONS

It is required by New York State Education Law that the following students have a yearly physical:

- New students entering the district
- Students entering grades 7, 9 and 11
- Students (grades 7-12) participating in interscholastic sports
- Students who need working papers

It is highly recommended to have the student's own doctor perform their physical. The school physician comes at different times throughout the school year to complete any physical needed for required grade levels, sports, and working paper physicals. If there is no record of a physical on file and the school has not been notified otherwise, the student will have their required grade level physical at school performed by the school physician.

NURSE'S OFFICE GUIDELINES

- Physical education excuses must be brought to the nurse's office.
- All injuries and/or accidents that occur on school property must be reported immediately to the nurse's office.
- All injuries and/or accidents that occur off school property during school related activities must be reported immediately to the advisor/coach, who will then report it to the nurse's office upon return to campus.
- During the school day, a pass from the classroom teacher is required to come to the nurse's office. Students are not to report to the nurse's office between classes unless it is an emergency. A student who reports to the nurse's office without a pass will be sent back to the class unless it is a true emergency.

ADMINISTRATION OF MEDICATION TO STUDENTS

For those students who need prescribed medication or over-the-counter medication during school hours, the following conditions must be met:

- The medication must be brought to the school nurse by the parent/guardian in the original container with an intact and legible label.
- The parent/guardian submits written consent for the student to receive medication at school from the school nurse.
- An order from the student's physician indicating: name of person receiving medication, name of medication, time to be given, dosage, route, and duration of treatment.

New York State allows students with respiratory (breathing) conditions, allergies, and/or diabetes the right to independently carry and use their inhaled respiratory medications, epinephrine auto-injectors, and insulin, glucagon, and related diabetic supplies if the following is provided to the school nurse:

- Written permission from the parent/guardian
- Written provider order with attestation stating both the diagnosis, and that the student has demonstrated they can effectively administer the medication.

Independent carry and use of medications means that your child will take their own medicine without any help. The school will not know if your child takes their medicine. Staff support would be provided only in an emergency. Please contact the school nurse in order to obtain the necessary ATTESTATION FORM for your physician to complete.

ATTENDANCE POLICY

School attendance is both a right and responsibility. The Jr.-Sr. High School environment is an active partner with students and parents in the task of ensuring that all students meet or exceed the New York State Learning Standards. The school district recognizes that consistent school attendance, academic success, and school completion have a positive correlation with future life endeavors; therefore, the purposes of its attendance policy and procedures are as follows:

- To increase chances of school completion for all students
- To raise student achievement and close gaps in student performance
- To identify attendance patterns in order to design attendance improvement efforts
- To know the whereabouts of every student for safety and other reasons
- To verify that individual students are complying with education laws relating to compulsory attendance
- To determine the district's average daily attendance for state aid purposes

THE JR.-SR. HIGH SCHOOL STAFF WILL:

- Create and maintain a positive school building culture by fostering a positive physical and psychological environment where the presence of strong adult role models encourages respectful and nurturing interactions between adults and students. This positive school culture is aimed at encouraging a high level of student bonding to the school, which in turn should lead to increased attendance.
- Maintain accurate record keeping via a register of attendance which will record attendance, absence, tardiness and early departure of each student.
- Utilize data analysis systems for tracking individual student attendance as well as individual and group trends in student attendance problems.
- Develop early intervention strategies to improve school attendance for all students.

NOTICE OF MINIMUM ATTENDANCE STANDARD/INTERVENTION STRATEGIES

In order to ensure that parents/guardians and students are informed of the district's policy regarding minimum attendance and how the school plans to implement specific intervention strategies to increase attendance, the following guidelines shall be followed by the school staff:

- A staff member will periodically give the student's parent/guardian notification of the student's attendance record including absences, tardiness, and early departure. This notification will be via telephone or letter sent home in the mail or with the student. At this time the parent/guardian will be informed as to how the student's attendance may affect the student's ability to receive credit for their courses.
- The principal or designee will meet with students having an excessive number of absences, to review the district's attendance policy. Appropriate student support services within the district will be implemented and if necessary,

referral to outside support services will be made prior to denying course credit on the basis of attendance.

ABSENCES, TARDINESS, EARLY DEPARTURE

The district has determined that absences, tardiness and early departures will be considered excused and unexcused according to the following standards:

Excused: An absence, tardiness or early departure may be excused if due to personal illness, illness or death in the family, impassable roads due to inclement weather, religious observance, quarantine, required court appearances, attendance at health clinics, doctor appointment (verification required), approved college visits (verification required), approved cooperative work programs, military obligations, or other such reasons as may be approved by the Board of Education.

Unexcused: An absence, tardiness or early departure is considered unexcused if the reason of or the lack of attendance does not fall into the above categories (e.g. family vacation, hunting, babysitting, haircut, employment, obtaining learner's permit, road test, oversleeping, or missed the bus). Teachers are under NO obligation to provide missed work, tests or quizzes if the absence is deemed to be illegal or in the case of truancy.

If your child is absent from school, you may communicate with the school using the following:

1. Email absence information to: callen@catomeridian.org and khoag@catomeridian.org.
2. Call the school nurse if needed at (315) 626-3439 ext. 3831. Please leave a message with your child's full name and reason for absence. Please note that even though a phone call is received, a written or electronic note must be submitted.

If you child is late to school, you may communicate with the school using the following:

1. Email tardy information to: callen@catomeridian.org and khoag@catomeridian.org.
2. Call Katie Hoag or the main office staff at (315) 626-3439 ext. 3800. Please leave a message with your child's full name and reason for tardiness. Please note that even though a phone call is received, a written or electronic note must be submitted within 24 hours for students to avoid a possible consequence.

TARDINESS TO SCHOOL

- Students are expected to be in school on time.
- Students who are not in homeroom seats at the 7:40a.m. bell are tardy.
- Students who are tardy must report to the Main Office upon entering the building with an explanatory note signed by a parent (telephone call from parent is **not** accepted). If it is not possible for the student to bring a note with them on the day that they enter school tardy, students will be given one (1)

day following the tardy to bring in a signed parental/guardian note explaining the reason for the tardiness. If a note is not presented on the second day, detention will be assigned. Please also refer to the preceding section on page 30, **If your child is late to school.**

- If a student attends AM BOCES yet is tardy to school and subsequently misses the bus, they will be placed in In School Planning (ISP) until their regularly scheduled planning.
- The Main Office will issue a tardy admit slip which the student must hand to the teacher upon arrival at class.
- Consequences for multiple unexcused absences or tardiness will be imposed according to the schedule located in the discipline chart.

NOTICE OF STUDENTS WHO ARE ABSENT, TARDY OR DEPART EARLY WITHOUT PROPER EXCUSE

A designated staff member shall notify the parent/guardian by telephone that their student is absent, tardy, or departs early without proper excuse. The staff member shall explain the *District's Comprehensive Student Attendance Policy*, the district's/building level intervention procedures, and, if appropriate the relationship between student attendance and course credit. If the parent/guardian cannot be reached by telephone, the staff member will provide such notification by mail. The district's attendance policy will be mailed to the parent/guardian to promote awareness and help ensure compliance with the policy.

If deemed necessary by appropriate school officials, or if requested by the parent/guardian, a school conference shall be scheduled between the parent/guardian and appropriate staff members in order to address the student's attendance. The student may also be requested to attend this conference in order to address appropriate intervention strategies that best meet the needs of the student.

DISCIPLINARY CONSEQUENCES

Unexcused absences, tardiness, and early departures will result in disciplinary sanctions as described in the Jr.-Sr. High School Code of Conduct.

APPEAL PROCESS

A parent/guardian may request a building level review of their child's attendance record.

MAKING UP CLASS WORK

The student must meet with the respective teacher to arrange to make up any missed work. Failure to do this may result in loss of credit for the course. If this should fall at the end of the first semester, the student may be given an "incomplete" on his or her report card for that subject. **If this should occur at the end of the second semester, the student will have until the day of the course's final class period to complete all work missed.** Accommodations will be made for students who are classified as disabled under IDEA or 504.

If a student is going to be legally absent from school for 3 or more consecutive days, homework assignments may be requested by calling the Guidance Office. **The request**

for homework must be made 24 hours in advance of when you will pick up the assignments. The assignments may be picked up in the Guidance Office. A student with unexcused absences from school shall not be afforded the opportunity to make up tests, quizzes or assignments.

A student on In-School Suspension or Out of School Suspension must complete all school work during his/her suspension. No extra time will be allotted.

As written, this protocol for making up class work refers to absences incurred at the end of a marking period (10, 20, 30, 38 weeks). If a student is absent mid-marking period (5 weeks for example), he/she will be given 2 school days to make up the work for every 1 day of school missed, i.e. 2 days absent = 4 days to make up work, if those absences were excused. Unexcused absences may not be given the opportunity to make up any missed work or tests and a "0" may be assigned for a grade on that assignment.

Students who are absent from class due to their participation in a school sponsored activity are to arrange with their teachers to make up any work missed in a timely manner as determined by the teacher. Attendance at school sponsored events where instruction is substantially equivalent to the instruction that was missed shall be counted as equal to regular attendance in class.

Upon returning to school following a properly excused absence, tardiness, or early departure; it is the responsibility of the student to consult with his/her teacher(s) regarding arrangements to make up missed work, assignments, and exams in accordance with the time schedule specified by the teacher.

STUDENT CODE OF CONDUCT

The Board of Education, in partnership with the Cato-Meridian Central School District community, expects students to conduct themselves in an appropriate and civil manner and with proper regard for the rights and welfare of: other students, Cato-Meridian Central School District personnel, and other members of the educational community. It is also expected that they will have respect in regards for the care of Cato-Meridian Central School District facilities and equipment.

The best discipline is self-imposed and students must learn to assume and accept responsibility for their own behavior as well as the consequences of their misbehavior. Cato-Meridian Central School District personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the student's ability to grow in self-discipline.

The Board of Education needs to make its expectations for student conduct specific and clear in regards to when students are on Cato-Meridian Central School District property or engaged in a Cato-Meridian Central School District sponsored functions. The rules of conduct listed below are intended to do that as well as focus on safety and respect for the rights and property of others. Students who will not accept responsibility for their own behavior and who violate these rules will be required to accept the penalties for their conduct.

Smoking also includes the use of an e-cigarette which creates a vapor, in any manner or any form, or the use of any oral device for the purpose of circumventing the prohibition of smoking in this handbook.

“E-cigarette” means any electronic oral device, such as one composed of a heating element, battery, and/or electronic circuit, which provides a vapor of nicotine or any other substances for inhalation. The term shall include any device, whether manufactured, distributed, marketed, or sold as an e-cigarette, e-cigar, e-pipe, or under any other product name or descriptor, but does not include any product specifically approved by the U.S. Food and Drug Administration for use in medical treatment, such as an asthma inhaler.

SMOKING AND THE USE OF TOBACCO PRODUCTS ON SCHOOL PROPERTY IS A VIOLATION OF SCHOOL BOARD POLICY AND FEDERAL STATE LAW. FROM A HEALTH STANDPOINT, THE USE OF TOBACCO FOR SMOKING AND/OR CHEWING HAS LONG BEEN DOCUMENTED AS INJURIOUS TO ONE’S HEALTH AND WELL-BEING.

There is to be NO SMOKING IN OR ON SCHOOL PROPERTY. It is a health hazard to everyone. Any student wishing to quit smoking may participate in the Tobacco Free Schools Program. This is a voluntary and confidential program designed to help students, not punish them. For more information, see the school nurse or health teacher.

ADMINISTRATIVE DISCRETION

This policy will be exercised when the situation warrants it. In all situations where a suspension is involved, the building principal or designee reserves the right to determine the length of the suspension (not to exceed 5 days) and whether in-school suspension, out-of-school suspension, and/or a Superintendent's Hearing is warranted. Every attempt will be made to contact the parent/guardian at the time of the suspension.

Requests for assignments will be given to the student's teachers. These assignments may be picked up in the Main Office.

DETENTION

When Cato-Meridian students do not abide by the rules of our school, they are subject to detention. Detention is from 2:17p.m.-2:55p.m., Monday through Friday. Students must come to detention prepared to work the full period.

DUE PROCESS

A student and/or parent/guardian who questions the application of the discipline policy may make an appeal in the following order: building principal, Superintendent of Schools, Board of Education, and the New York State Commissioner of Education. All appeals should be in writing and cite specifically how the discipline code has allegedly been misapplied.

SUSPENSION

All students are required to serve suspension in school unless the Principal deems out of school suspension more appropriate. This allows students to take tests and quizzes which otherwise might be missed. Depending on the infraction, students can be assigned to ISS during the day for a period, full day, or multiple days.

Teachers of suspended students are notified by the Principal to submit class work for the individual students. A staff member supervises students and their assignments throughout the day.

Students on in-school suspension for more than one period on any given day will not be allowed to participate in school activities (assemblies, pep rallies, field trips, etc.) as well as sports practices or competitions. Students serving a series of periods of in-school suspension (for example, two half days or a particular period for several days), are not allowed to participate in school activities on the first day of the series of days to be served.

Students on out-of-school suspension may not enter school grounds at any time or attend any school function off school grounds until they return to class at the conclusion of the suspension.

THE FOLLOWING REGULATIONS APPLY WITHIN THE IN-SCHOOL PLANNING ROOM:

- The student is expected to bring all texts, notebooks, and other materials to the ISP Room at the beginning of Homeroom. Students should not expect to go to lockers or visit teachers.
- Students must work independently on all assignments at assigned desks.
- There is absolutely no talking.

- Students must remain in their seats unless given permission by the staff member in charge.
- No eating except during lunchtime. The staff member in charge will escort students to the cafeteria to buy lunch; lunch must be eaten in the ISP Room.
- The suspended student will remain in the ISP Room working on schoolwork until the end of the day at 2:17p.m.
- Permission to use the lavatory must be obtained by the staff member in charge and visits to the restroom should be confined to two per school day.

Any student who does not abide by these rules is subject to out-of-school suspension in addition to serving the remainder of his/her in-school suspension time.

GENERAL INFORMATION

ASSEMBLIES

Periodically scheduled assembly programs are held for the student body. Students are expected to demonstrate behavior that shows respect for the performers or participants of the program and the audience. Cellular phones are not permitted at assemblies. Transportation to the auditorium for special programs will be necessary on occasion. All rules pertaining to bus riding privileges will be enforced.

BOTTLES AND FOOD IN SCHOOL

Due to our concern for everyone's safety on buses and in the building, no glass beverage bottles are allowed in school. Such containers and their contents will be confiscated. Only unopened cans and plastic bottles of water are allowed in the cafeteria during the student's lunch period **only**. In order to maintain a healthy, clean environment, all food must be consumed in the cafeteria or under adult supervision. On special occasions teachers may grant permission to consume food in the classroom.

BUS SCHEDULE

AFTERNOON RUNS: First Run - 2:17p.m.

Second Run - 3:10p.m.

Students who remain for the Second Run must be under the supervision of a teacher. Students may not travel on the bus unless they have a bus pass signed by a supervising teacher, coach, or office personnel. Riding the Second Run is a privilege and may be revoked due to misbehavior.

BOCES BUSES

CAFETERIA RULES

- Keep in a straight, orderly line while waiting to be served. Those students with restricted lunch or ISP must report to the front of the line in order to return to the ISP room immediately. This applies to afternoon BOCES students as well.
- Clean tables of all litter and spills then place all waste materials in containers

provided. Failure to do so may result in assignment of clean-up duty and/or assigned seating.

- Do not take trays of food, or open containers of food and drinks, from the cafeteria unless you are reporting to ISP or the courtyard. This includes during passing time.
- Only those students with pre-signed passes will be allowed to use the library during lunch periods.
- Cafeteria monitors are school staff members; their instructions must be followed.

- Students are not allowed to leave the building for lunch, even with parent permission (unless picked up by a parent).

Students/parents/guardians may pay for meals in advance via myschoolbucks.com or with a check payable to Cato-Meridian School Lunch. Further details are available on the District's webpage at www.catomeridian.org. Funds should be maintained in accounts to minimize the possibility that a student may be without meal money on any given day. Any remaining funds for a particular student will be carried over to the next school year.

Parents/guardians will be notified that a student's meal account balance is exhausted and has accrued unpaid meal charges within seven days of a negative balance and then every week at the elementary level and bi-weekly at the Jr.-Sr. High School level thereafter.

CRITERIA FOR #504 REHABILITATION ACT OF 1973

The following criteria must be met in order for a student to qualify for a #504 Accommodation Plan. Under the Rehabilitation Act, a handicapped person includes anyone who has a physical or mental impairment which substantially limits one or more major life activities (caring for one's self, performing manual tasks, walking, seeing, hearing, breathing, and learning). If a student reports to school later than 11:00a.m., s/he will be ineligible to attend a dance scheduled for that day unless extenuating circumstances exist and permission to attend is obtained from the Principal. All medical excuses must be documented on doctor letterhead to be valid.

- Students must leave school property immediately upon exiting the dance.
- All students who attend any school event may be subject to an alcohol or drug screening test upon reasonable suspicion and request of a school administrator.

These rules will also apply to student behavior at all other social events (athletic events, field trips, etc.)

EARLY RELEASE

Seniors who are in good academic and behavioral standing can apply through the main office for the privilege of Early Release. Good academic standing shall be defined as being academically eligible as well as having a cumulative average of 70 or higher in all classes required for graduation. Early Release privilege will be for 8th period. To gain the Early Release privilege, parent and administrative permission is required.

EMERGENCY INFORMATION

Emergency contact information is located on each student's SchoolTool page. Parents should periodically review their child's information to be sure that it is current and accurate. Parents must ensure that the names and numbers they provide can be reached during an emergency. Please let the school know when there are changes in these items (address, phone number, place of work, etc.) during the school year (September-June). To make changes, please contact Erin Barnhart, School Registrar at 315-626-3439 x3821 or ebarnhart@catomeridian.org.

- No food is to be taken into or consumed in classrooms without the permission of the teacher.
- Pre-signed passes are required when going for extra help, make-up tests, etc., including when you are leaving from study halls and lunch.
- You must go directly to and come directly back from your destination with no intervening stops.

A student who must leave school because of illness must report to the Nurse or to the

Principal. A call will be placed to parent or guardian seeking permission to leave. Only individuals identified in the contact information section in SchoolTool will be allowed to pick up a student (unless otherwise notified, in writing).

If a student must be excused for part of the school day, he/she must present a written request to the main office upon arrival at school. The request should specify: name, date and time to be excused, destination and reason for leaving, means of travel from school, and a telephone number by which the above information may be confirmed (parent, doctor, dentist, etc.). Please make appointments during school vacations or after school hours if at all possible.

Because of the school's legal responsibility for the welfare of the student, we cannot honor requests for students to leave school to run errands or eat lunch off campus during school hours.

LOCKERS

Lockers are the property of Cato-Meridian Jr.-Sr. High School and are loaned to students during the school year. Because of the school's responsibility for the safety and welfare of all students, school authorities can search lockers at any time with or without students' knowledge or permission. - Posting any items on the outside of the locker is prohibited.

All lockers must be completely cleaned out by the end of the last day of classes. Anything remaining in a locker will be removed.

LOST AND FOUND

Stray articles are kept in the Main Office and also on the lost and found table located across the hall from the Counseling Office. Items found should be turned in to the Main Office. Many articles are turned in regularly. Students who have lost items should check for them in the Main Office and at the lost and found table.

PARENT CONFERENCE

Parent conferences to discuss a student's academic and/or behavioral concerns will be scheduled at the request of parents, teachers or students. The school counselor will establish the time and notify all teachers of the conference. Where possible, the student will be encouraged to participate in the conference.

Teachers are generally available for conferences with parents before and after school. Parents may make appointments by calling the Counseling Office secretary. The School Counselor is available for conferences during the day.

PASSES AND AGENDA BOOKS

Each student will be issued an Agenda Book early in the school year or when a transfer student first enters school. This is an important book. It will be a valuable planning tool and resource. It also contains pass pages that will be needed in order for students to be in the hall during class time. A limited number of replacement books are available at a cost of \$7.00 per book.

BUS PASSES

Students who remain for Second Trip must be under the supervision of a teacher and must have a hall pass when in the hallways between 2:17p.m. and 2:55p.m. They may not travel on the bus unless they have a pass signed by a supervising teacher or coach. The Main Office will not issue bus passes unless circumstances dictate.

PERSONAL PROPERTY AT SCHOOL

Articles that are hazardous to the safety of others or interfere in some way with learning or school procedure are prohibited. If used during school hours or on regular bus trips, such items will be confiscated and returned to a parent/guardian. Personal property of great value (expensive jewelry, large sums of money, family heirlooms, and so forth) should not be brought to school. There is no way in which the school can guarantee their protection from loss, theft, or breakage. The school is not responsible for lost, stolen or damaged property. Any student using a cell phone during school hours will be subject to the discipline code.

RESTRICTED LUNCH

When circumstances dictate, the Administration reserves the right to assign students to

a lunch detention(s). Students will eat their lunch in the ISP Room.

Students must report to detention on time on the day scheduled. Any difficulties/changes must be cleared with the Assistant Principal. **IF A STUDENT IS ABSENT ON A DAY OF AN ASSIGNED DETENTION, THE DETENTION WILL BE AUTOMATICALLY REASSIGNED TO THE NEXT DAY ON WHICH DETENTION IS HELD.**

RESTRICTED STUDY HALL

When a student is academically ineligible, any study hall that they have in their schedule will become restricted. This means that the student will not be allowed to leave the study hall room for any purpose other than brief visits to the locker, bathroom or drinking fountain. The student will be required to complete academic work quietly during this period and not engage in game playing, chatting with other students, or listening to electronic devices, etc.

SCHOOL CLOSINGS/DELAYS

In the event that emergencies make it necessary to close the school, announcements to this effect will be made over local TV stations 3, 5, 9 & 10 as well as the school website and ParentSquare. This includes school closing announcements.

SENIOR JEOPARDY

When a senior has recorded an overall average of 70 or below, they are considered to be in jeopardy. This will forfeit their work release privilege for the marking period.

SENIOR PRIVILEGES

Senior privileges will be shared with senior class advisors in the fall.

SOCIAL PROBATION

Social Probation is a consequence that may be assigned as a result of a student's inappropriate behavior. A student on Social Probation may be prohibited from attending/participating in school activities. Also, student drivers/riders may lose that privilege during Social Probation.

SPECTATOR SPORTSMANSHIP

Good sportsmanship has always been a tradition at Cato-Meridian. Spectators are expected to behave in a respectful manner. When we are the host school, we will treat our opponents as guests in our school. When we play away, we will act as courteous guests.

All Cato-Meridian spectators are expected to:

- Maintain and exhibit self-discipline and restraint at all times.
- Conduct themselves in such a manner that attention is drawn not to them, but to the participants playing the game.
- Regulate their actions at all times so they will be a credit to the Blue Devil team, knowing that the reputation of Cato-Meridian Jr.-Sr. High School is affected, positively or negatively, by their conduct. They represent the school just as a Blue Devil athlete does.

- Treat the visiting team and their spectators as guests by being courteous and fair.
- Accept the judgment of the coaches and game officials.
- Be modest in victory and gracious in defeat.
- Appreciate good play by both teams.
- Show sympathy for an injured player of either team.
- Direct their energy to encouraging their team rather than booing the officials.
- Learn the rules of the game in order to try to be a more intelligent and appreciative fan.

Anyone who does not abide by these rules will be asked to leave the contest. Repeat offenders may be barred from attending any further home contests.

STUDENT PARKING ON SCHOOL PROPERTY

Driving a vehicle to school as a student is a privilege, not a right, as well as riding with another student who has obtained a parking permit. Permission will be granted at the beginning of each school year, at the discretion of the principal. Applications to drive or ride are not valid until a parking permit is issued. If it is necessary for you to drive to and from school, you must stop in the Main Office to get a vehicle registration form for all vehicles and a copy of the student parking policies that explain procedures in detail. **Riders must be registered.** Parking permits are to be displayed on the car. Failure to register your car(s) could result in the suspension of driving privileges for the semester. Illegally parked cars will be towed at the owner's expense. Students driving to school, who are frequently tardy may have their parking privileges revoked and be subject to the school's discipline policy. Students who attend BOCES or any offsite program are not allowed to drive to the BOCES facility unless permission is obtained from Cato-Meridian administration, parents and BOCES administration.

Parking permission is based on seniority and availability.

The parking lot is off limits to all students during the school day. All vehicles parked on school property are subject to search upon request of Administrator. Reckless endangerment, when in the parking lot will result in immediate loss of parking privileges on school property and possible law enforcement notification.

Students may only park in the student parking lot A, which is the upper parking lot near the brick wall. Parking lot B (the lower parking lot) and parking lot D (at the front of the building) are not available to students. All registered parking permits are issued for student lot A. Seniors who have achieved Principal's High Honor Roll status for the most recent marking period, Senior National Honor Society members, and Senior National Technical Honor Society members may park in lot C. Any change in parking area designations is up to administration.

All vehicles parked on school property shall be subject to search and seizure by Administration when deemed necessary to maintain an orderly and safe school environment.

No person shall engage in any of the following activities on District property at any time:

- Operating mini-bikes, go carts, snowmobiles, all-terrain vehicles, tractors, or unlicensed vehicles
- Skateboarding or rollerblading

STUDY HALL EXPECTATIONS

Study Halls are for **quiet work**. Students are expected to be on time with an adequate amount of work for the duration of study halls. Locker/bathroom requests should be minimal to ensure optimal work time.

Students who wish to see teachers, counselors and the nurse, to use the computers and the Library Resource Center; may utilize study halls for these purposes. **STUDENTS SHOULD HAVE A PRE-SIGNED PASS FROM THE APPROPRIATE STAFF MEMBER IN ORDER TO BE RELEASED FROM THE STUDY HALL.** Study Hall supervisors may check on students to ensure that they have arrived at their destination in a timely manner.

TELEPHONE USE

Cell phone use during school hours is strictly prohibited. A student telephone, in the Main Office, is provided for student use. Please use your discretion in deciding to use the telephone. As with any privilege, telephone use will be denied if the privilege is abused. Parents are to call the Main Office if it is necessary to contact their child. They are **NOT** to call or text their child directly.

VISITORS/VISITATION

All visitors to the school must sign in at the Main Office and receive a pass except when attending events open to the public. Visitors such as small children or students from neighboring schools are prohibited during the regular school day. Visitors who do not sign in at the Main Office may be asked to leave the premises and be charged with trespassing. Children of faculty are excluded from this.

VISITS BY PARENTS

Parents are always welcome at school. If you would like to visit a classroom, we ask that you contact the teacher in advance and please stop in the Main Office upon arrival. We encourage parents to attend Open House and all extra-curricular events in which their student participates.

STUDENT VISITORS

No student visitors will be allowed during the school day unless approved by administration for educational purposes such as student exchange programs, a student moving to the district, etc. These arrangements are to be made at least two days prior to the scheduled visitation. Alumni are welcome to visit after the normal school day hours of scheduled classes. Students will be denied permission to bring friends/relatives from other schools to our school while school is in session.

VISITATION TO THE ELEMENTARY SCHOOL

Jr.-Sr. High School students are not to visit the Elementary School following dismissal. Instruction is taking place. If students wish to use the Recreation Center, they must get a bus pass from the Main Office. Students wishing to walk to the Recreation Center
