Re: Proposed Amendment to Federal Stimulus Plan : Summer Learning #2
Date: 4/01/2023

As discussed at BOE meetings, shared with families and discussed in district, our summer learning program will be continuing this year. An amendment to the initial budget is recommended to better reflect the costs of the program. The following adjustments are recommended:

Reduction in support staff salaries. The structure of our Summer Learning Program has changed due to the participation of the MIC program. Reduction in Travel Expenses as there is no field trip scheduled for 2023. Those funds will be reallocated to cover FICA, Retirement and Health Insurance costs associated with the program.
