Re: Proposed Amendment to Federal Stimulus Plan : State Reserves Amendment #1
Date: 9/1/2022

The following shift to the State Reserves Plan is recommended due to changes in student enrollment. Our ENL population has reduced and as a result we are allocating less federal monies to that position. The allocation was shifted to fund teacher participation at the PLC Conference and to fund teacher health insurance costs.

Please see the uploaded document: Proposed Amendment State Reserves # 1 for specific items and cost breakdown.
