Re: Proposed Amendment to Federal Stimulus Plan : ESSER 3 Amendment 1
Date: 10/1/2022

As discussed at BOE meetings and as reflected in the survey sent to the community, it is necessary to update our federal stimulus plan to reflect the district's shift from allocating monies to the HVAC project to the Elementary Playground Project.

The CRSSA ESSER 2 Grant was allocated almost completely to fund the HVAC Project. Given the timeline for spending, the district has determined that the best course of action is to apply these funds to prior year expenses related to our Information Technology Program and the general fund costs of our Universal Preschool Program.

For specific information regarding the position funded, please see the accompanying proposed amendment.
