

TO: YOU, SENIOR!!! (and your adoring parents)  
FROM: MRS. BYRNE  
RE: YEARBOOK INFO

=====  
If you've ever looked at a past yearbook, you will notice quite a bit of it features seniors. Guess what???  
Now that's YOU! So here we go -- yes, I know...I am already asking waaaaay too much of you, what  
with it still being summer and all....

To start off, you will be getting your senior portrait done *free of charge* Sept 23 and 24 during the  
school day by Prestige Portraits. The schedule and much more information will be given to you before  
the start of the school year. Guys must wear a nice shirt and tie, and ladies, a nice top or blouse. The  
background will be a dark bluish/gray. The picture will be a head and shoulders shot. Like this:

=====  
Next...I need you to start searching through all your pics:

1) Find and upload the following pictures and email to me:

A) A **baby/toddler** picture of you like any of these:

B) And a somewhat current **“informal”** picture of just you (some do it in a uniform,  
with a pet, at a favorite vacation spot...or just a nice, casual picture....) We'll use this pic  
next to your likes/dislikes, activities and so on (please, no Snapchat filters...) Here are a  
few examples:

There's more.....

C) Next...do you have any pics of you with other members of the senior class from when you were young for our Now and Then section? I don't have a "young" age requirement, but we would like there to be a big physical change in you all from then to now. We will retake the photo with you and the others in the pic for the updated version. Here are some examples:

By the way, if you don't have any for C above, that is ok! But A and B would be GREAT!

2) Next I need you to make a copy of the next document (the info sheet), fill it out then email it back to me.
